# Massachusetts State Innovation Model (SIM) Overview

---

## What is our goal?

## How does SIM help us get there?

Population Health	Improve management of chronic conditions and reduce rates of preventable health conditions by 2017.	<ul style="list-style-type: none"><li>▪ Access to Pediatric Behavioral Health (BH) Consultation</li><li>▪ Electronic Referrals to Community Resources</li></ul>
Payment Reform	Increase percentage of MassHealth lives covered by APMs to 80% and Group Insurance Commission (GIC) lives covered by APMs to 75% by 2017.	<ul style="list-style-type: none"><li>▪ MassHealth Alternative Payment Methods (APMs)</li><li>▪ GIC Centered Care Initiative</li></ul>
Health IT	All providers implement interoperable Electronic Health Record (EHR) systems that connect to the statewide Health Information Exchange (HIE) by 2017.	<ul style="list-style-type: none"><li>▪ Data Infrastructure for Long-Term Services and Supports (LTSS) Providers</li><li>▪ Community Links Portal</li><li>▪ HIE Technical Assistance to BH Providers</li></ul>
Support/ Evaluation	Provide support for new infrastructure that support APMs, encourage plans and providers to collaborate and share best practices, and evaluate impact and identify strengths and weaknesses.	<ul style="list-style-type: none"><li>▪ All Payer Claims Database (APCD) Provider Portal</li><li>▪ Technical Assistance to APM Participants</li><li>▪ Provider Learning Collaborative</li><li>▪ MDPHnet Expansion for Evaluation</li></ul>

# SIM Administrative Update

## PENDING DECISIONS

- Request for a no-cost extension of Test Year 1 through June 2015
- Proposed budget and scope revision for Test Year 1

## FEDERAL EVALUATION SITE VISIT

The Center for Medicare & Medicaid Innovation (CMMI) has contracted with RTI International (RTI) to conduct an independent evaluation of the SIM program across all Round One Test states.

RTI plans to conduct a site visit in March/April to interview key stakeholder groups:

- Providers participating in SIM Programs
- Community Organizations
- Advocacy Groups
- Aging Services Access Points
- Health Plans

EOHHS welcomes stakeholder input into site visit planning.

# SIM Project Update – Recent Achievements

---

## **ELECTRONIC REFERRALS TO COMMUNITY RESOURCES**

Four pilot partnerships are sending bidirectional e-Referrals and feedback reports. The 50<sup>th</sup> e-Referral was initiated on December 5<sup>th</sup>, meeting the target goal for 2014!

## **COMMUNITY LINKS PORTAL**

Providers at six pilot partnerships are now able to access information on nearly 400 patients enrolled in the MA Home Care Program, through the Community Links Portal.

## **ACCESS TO PEDIATRIC BEHAVIORAL HEALTH CONSULTATION**

The Massachusetts Child Psychiatry Access Project (MCPAP) is featured in this month's issue of Health Affairs:

Behavioral Health Care For Children: The Massachusetts Child Psychiatry Access Project  
John H. Straus and Barry Sarvet

# SIM Project Update – Upcoming Activities

---

## **MASSHEALTH PRIMARY CARE PAYMENT REFORM**

The PCPR team is working closely with participating practices to prepare for the start of Year 2 on January 1, 2015

## **ALL-PAYER CLAIMS DATABASE (APCD) PROVIDER PORTAL**

Informed by the feedback of an extensive stakeholder engagement process, the APCD Provider Portal team will develop initial prototypes to test further with stakeholders.

## **ACCESS TO PEDIATRIC BEHAVIORAL HEALTH CONSULTATION**

The MCPAP hubs will conduct training on a new Screening Brief Intervention and Referral to Treatment (SBIRT) Toolkit for pediatric primary care providers .

# Discussion: Quarterly Stakeholder Update Meetings

---

New quarterly stakeholder update format to include:

- Program administration updates
- Recent achievements – three key milestones/accomplishments
- Upcoming activities – three key goals
- Stakeholder engagement topic
- In-depth project presentation

How can we improve stakeholder engagement on the overall SIM program?

Are there any requested topics for the in-depth project presentations?

Should any additional update items be included?
